**Does your table/Accumove have the following:**

- |   |     |    |
|---|-----|----|
| Dedicated grounding rod within 5 feet of the table with minimal excess grounding cable? | YES | NO |
| Dedicated 120V power source that does not experience power surges?                      | YES | NO |
| Clean and dry environment without metal dust or other particulate matter?               | YES | NO |
| Is the Accumove mounted/sitting off the shop floor?                                     | YES | NO |
| Is the table computer currently connected or has been connected to an Internet source?  | YES | NO |

You will be contacted with a quote once the form is received completed. Most repairs take 1-3 weeks depending on problems and part inventories. We understand this machine is important to your day to day operations and we try to work as quickly as possible, however parts can take 7-10 days to receive in certain instances. **Your patience is greatly appreciated.**
